# IMA - IN MOLD ASSEMBLY

MOLDING, ASSEMBLING AND WELDING IN ONE SHOT  
INSIDE THE MOLD

**The IMA technology allows the user to mold, put together and weld parts in one shot. It is even possible to put an extra part inbetween.**

As a result:

- Reduced machine costs
- Reduced product cost
- Reduced cycle-times, increased productivity...

**TECHNOLOGY ON THE MOVE**

*Index Plates & Multi Injection Molds*
